## Heroes of the intelligence revolution

### Brad Boehmke

Director of Data Science

DataRobot's gotten pushed into the hands of more data scientists that wouldn't be doing machine learning before, but now they can actually deploy models, and deploy it smartly. It's been a game-changer for us.

### Captain Michael Kanaan

Enterprise Lead AI

Captain Michael Kanaan is an AI Hero, guiding the U.S. Air Force with AI insights and framing their mindset to be intelligence focused by harmonizing people with machine learning.
