CONGRATS ON YOUR FIRST STEP TOWARDS SKIN REVOLUTION!

WELCOME!

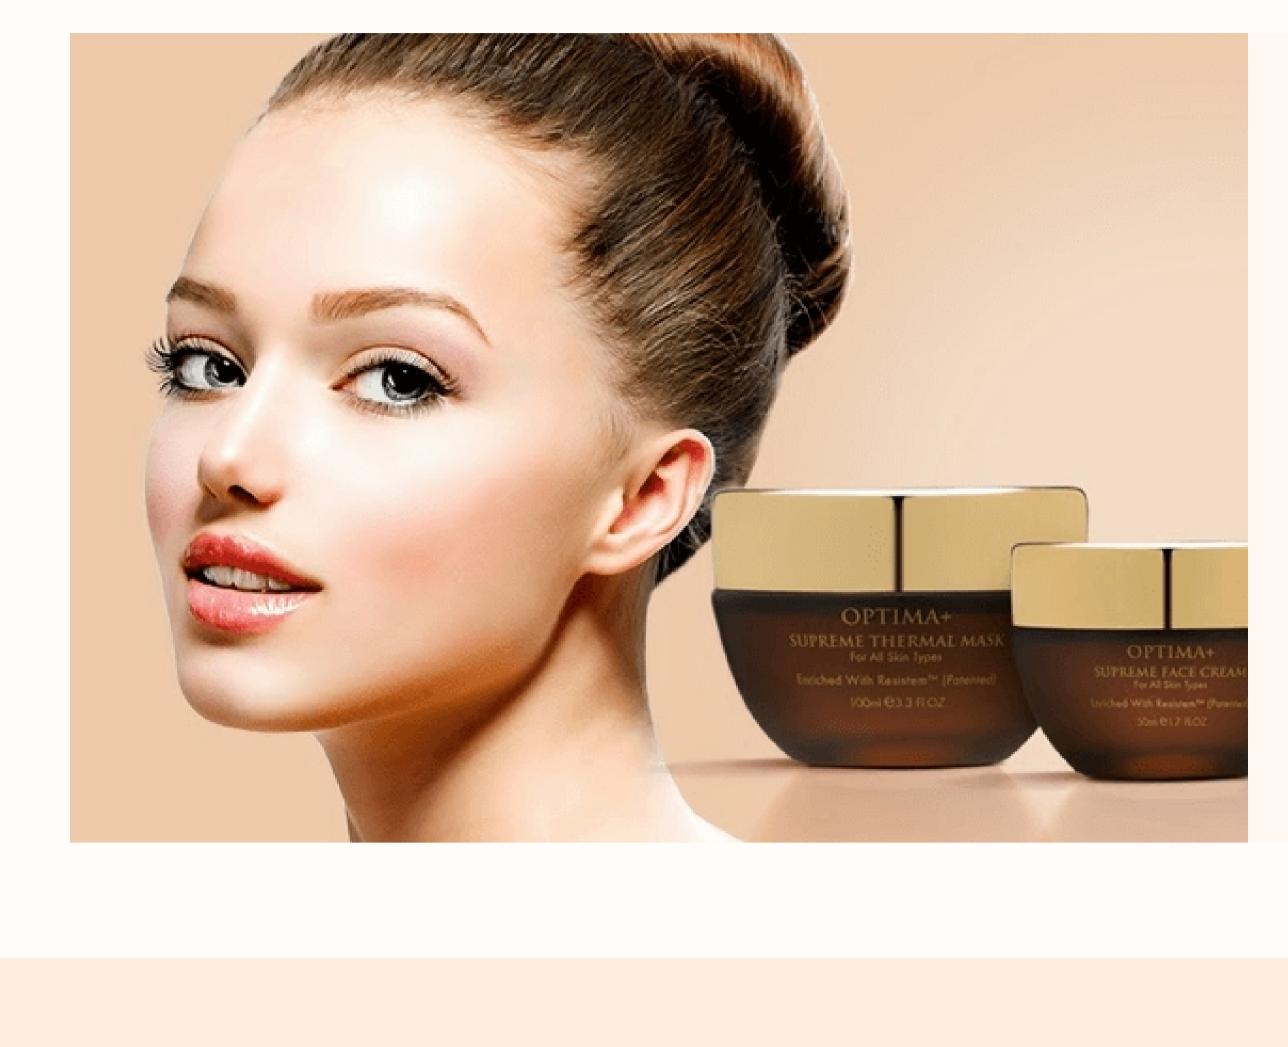

What if we say that your skin should be nourished like a baby?

you to ask yourself this question, When was the last time you glanced at the ingredients of a skin care product? How many times have you reported a reaction of side effects to the company? — How many times have you visited your dermatologist? Did you have any answer?

"who has the time? Our skin looks perfect the way it is", can be a lot of your

answers but only if your skin could speak, you'd know its woes. We want

BRAND STORY/BRAND IDENTITY

events that incrementally made Inscinn what it is today. Coming from a home where your skin is your most prized possession and where every solution to problems was steered to nature, I inherently grew up believing 'less in more' and whatever is needed can be best found in nature. What a beautiful harmony us and nature could create. Like a well-balanced diet, we've designed a range of products that will delight your skin's taste buds.

The birth of Inscinn wasn't really an Eureka moment. It was a series of small
